Opis produktu

Securely mount your ALTA 6 or ALTA 8 to a backpack for easy transportation around set or to remote locations. The backpack kit includes a sturdy carbon fiber plate with our Toad-In-The-Hole quick release, rubberized feet, and four straps to provide a variety of mounting options. Simply secure the plate to your pack using the straps, connect the ALTA using the TITH, and you are ready for your next adventure.

The kit also includes a rain fly sized for both ALTA 6 and ALTA 8 for additional protection.

The carbon fiber plate doubles as a stable platform for building out your ALTA on a work bench.

Includes:

- Qty 1 - Carbon Fiber Plate with TITH and Rubber Feet
- Qty 4 - Straps
- Qty 1 - Rain Fly
