Opis produktu

Install and secure your flight packs in a matter of seconds for the ultimate in convenience and efficiency when capturing new perspectives in SkyView. Flight packs are mounted to the quick release sled, which easily slides into the locking frame to complete your SkyView setup. Carbon construction and durable battery straps ensure your flight packs are held securely during flight.

Quick Swap Skyview Landing Gear is compatible with both ALTA 6 and ALTA 8 and is sized to fit up to two 16Ah packs

Includes

Qty 1 - Quick Swap Skyview Landing Gear Frame with Toad in the Hole Female Adapter
Qty 1 - Quick Swap Skyview Landing Gear Sled
Qty 2 - Durable Battery Straps
