Opis produktu

NanLite Compac 20 3-panel kit.

The COMPAC20/3 KIT is a set of three LED lights, supplied with adjustable stands and a background, which is ideal for producing pictures for websites or other product photography. The heads each have 96 LEDs and provide flicker-free daylight balanced 5600K illumination, and are mains powered. Also in the kit is a mini background support with five coloured background papers, and everything packs into a neat carrying case.

- Power source: 220-240V AC
- Illumination: 1250LM
- Colour temperature: 5600K
- CRI: 90
