Revolt 12V Battery to Dual 4-pin XLR (for use with DC-3)

Cena brutto	1 851,15 zł
Cena netto	1 505,00 zł
Dostępność	Na zamówienie
Producent	MotoCrane

Opis produktu

This cable is used to connect the DC-3 power converter to 12V vehicle batteries, providing a high-discharge (500W) 3-pin XLR output for the Revolt powering Ronin 2. One end of the cable features spade terminals for easy installation on the vehicle battery, while the other end is equipped with a dual 4-pin XLR, distributing the high load across both 12V DC-3 inputs.
